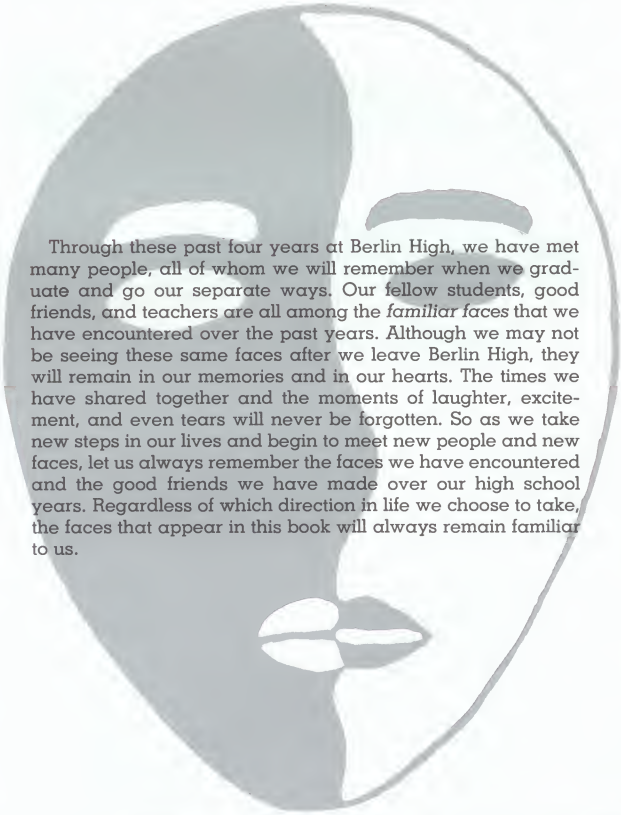
FAMILIAR FACES



Through these past four years at Berlin High, we have met many people, all of whom we will remember when we graduate and go our separate ways. Our fellow students, good friends, and teachers are all among the *familiar faces* that we have encountered over the past years. Although we may not be seeing these same faces after we leave Berlin High, they will remain in our memories and in our hearts. The times we have shared together and the moments of laughter, excitement, and even tears will never be forgotten. So as we take new steps in our lives and begin to meet new people and new faces, let us always remember the faces we have encountered and the good friends we have made over our high school years. Regardless of which direction in life we choose to take, the faces that appear in this book will always remain familiar to us.

Student Life

Students have a wide range of activities and clubs to choose from in order to become active and sociable participants in school life. Among these activities are two service organizations, the school newspaper, W.E.R.B. (the school radio station), and academic clubs. "UpBeat," an organization that was established when the members of the class of 1991 were freshmen, consists of a group of students who encourage their peers to lead alcohol and drug free lives.

Aside from the clubs within the school, students also participate in dances and other school related activities. No matter what type of students attend BHS, they are almost guaranteed to find an activity that they will enjoy and pursue throughout their high school years.

STUDENT LIFE

SPIRIT

From Monday, September 10, through Friday the 14th, students at Berlin High took pride in demonstrating their school spirit. Each day of the week was dedicated to a different theme, and the week's festivities were ended with the annual pep-rally on Friday afternoon. Before the contests began, the senior members of fall sports, cheerleading, band, drill team, and colour guard were presented with flowers. The dance and flag squads also performed routines at the rally.

on the phrase "SENIORS RULE." With the exception of the toilet paper run, which was won by freshmen, the seniors dominated all of the events. The hallway decoration contest was won by the senior class for the third year with their theme of "Sesame Street." The seniors also captured the spirit award, the mummy wrap, the pie eating contest, and the tug of war. By the end of the day, most students went home without voices, but they managed to return later that night for the Spirit Dance.

SPIRIT DANCE

On Friday, September 14th the annual spirit dance was held. Many students attended and took part in this traditional event. Students dressed in school colors and "got down" to familiar tunes such as "Dirty Cash" and "Vogue." The seniors and upperclassmen set the stage for the freshmen, who had the chance to experience their first high school dance. The event got everyone psyched for the first football game against Farmington High School on Saturday.

Homecoming Festivities Continue

On the chilly but sunny afternoon of October 27, 1990, the homecoming festivities began at Scalise Field, Sage Park. This year's game will be remembered not only for the homecoming queen and her court, but also for the recent passing of Mr. Donald Delisle, one of the school's assistant principals. The day's events began with a dedication to Mr. Delisle prior to the opening kickoff.

The Redcoats took on the St. Paul Falcons that afternoon. It was a tough battle for both teams throughout the first half of the game. Berlin only scored one touchdown by sophomore Adam Salina on the twenty five yard carry, and the two point conversion was gained by senior Kyle Cooney. The Falcons scored later in the second quarter, and as the Redcoats headed off the field at halftime, the scoreboard read: 8-7 with Berlin ahead.

After a terrific performance by the Marching Band, Colour Guard, and Drill Team, the queen and her court were presented to the crowd. Maureen McDermott and Sandy Berardi, the freshman and sophomore attendants respectively, were chauffeured onto the field with their escorts. Junior attendant Leah Veleas and senior attendant Melissa Kramer were each presented separately. Finally, the 1990 Homecoming Queen, Dorren Pethigal, was presented to the crowd. The traditional presentation of the flowers and crowning of the queen then took place.

The Redcoats took the field once again. Both teams scored another touchdown, which brought the score to 15-14 with St. Paul ahead. In the last half of the fourth quarter, Berlin knew that something spectacular had to be done. It was tremendously important that the seniors did everything possible to come back and take their last possible Homecoming victory. With just four minutes left in the game, the Berlin offense put together a big drive ending with a touchdown by Cooney. Berlin rallied to a 22-15 victory over St. Paul. The offensive and defensive lines executed their plays well with the help of some key senior players: Seby Urciullo, Mark Gombotz, and Tony Defresesco on defense, and Tom Cocomo and Tony Santoro on offense.

Later that evening, the formal dance took place in the high school's gymnasium. The gym was decorated by the student council, who chose purple, silver, and black as this year's colors. Streamers, balloons, and flowers added to the enchantment of the evening. Shortly after all of the couples arrived, the queen and her court made their entrance. After the attendants and queen were introduced, everyone danced to the theme song "All My Life."

Homecoming Day was a great success, and provided long lasting memories for the football players, the queen and her court, and everyone else who participated in the celebration.

UpBeat Continues To Flourish

For an organization that started off with only 40 members, the UpBeat program has rapidly grown to over 100 members. Under the supervision of Ms. Alice Mitchell, the members of the UpBeat program have dedicated themselves to help their peers with the common social problems concerning peer pressure. As peer leaders, the members of UpBeat have each gone through intensive training weekends at various locations. Upon returning to Berlin after a training weekend, each peer leader becomes involved in various community and school activities. All of these activities are planned out and executed by the peer leaders themselves. The students, along with members of the community, know that they can turn to an Upbeat peer leader of support and guidance. Not only are peer leaders reliable, they are also role models to many youngsters. They encourage everyone to remain drug and alcohol-free, and to enjoy every aspect of life from a substance-free point of view.

Student Council Has Productive Year

The Student Council was very busy this year. They achieved great success in presenting the year's homecoming activities. Thanks to the direction of the Council's president, Doreen Pethigal, they were able to earn a formidable sum of money to be used in other activities later in the year. The Council also planned a day for members of the BHS Council to visit New Britain High and experience their classes and school life. NBH Council members also came here to sample our classes and school atmosphere. With other projects brewing as well, this year was definitely a productive one for both the Council and the student body.

Business Club . . . Another Unique Aspect of the School

The Business Club, advised by Mrs. June Valentino and Mrs. Betty Trider, is an activity for students who enjoy the field of business. The club tries to teach students business skills that will benefit them in the future. Most members are planning to pursue a career in the area of business after they graduate.

One of the club's main activities is running the school store. Students can purchase little odds and ends during the day, and the profits go to the Business Club treasury. Members have also taken trips to various companies, such as Cigna and Aetna. Every year since 1988, the club has visited various post-high school institutions. Visitations were made this year to Briarwood College, Johnson and Wales University, and the Morse School of Business.

The Business Club also awards scholarships to any members who have shown extreme interest in the club, and plan to go on to a business college or technical school.

Morning Announcers Start The Day

Even though many of the students do not think about the Morning Announcers of Berlin High, these girls have the courage to speak to the staff and student body of the school every morning. As a part of the Service League, seven girls volunteer to do the announcements each morning. Coordinator, Senior Nora Kazanjian, helps to make the schedule and train the girls to make the announcements as lucid as possible. Without the pleasant sound of a morning announcer each morning, Berlin High would not be the same.

International Club: A Taste of Culture

This year marked the formation of the International Club, a new activity advised by Mrs. Sandra D'Angona. Contrary to popular belief, this is not just a club for people who enjoy the study of foreign language. Rather, the club introduces the members to different cultures. For example, many members attended a luncheon at El Torito, a Mexican restaurant, even if they could not speak the Spanish language! Another trip was to the Wadsworth Antheneum to view the Festival of Trees. Other activities were also pursued this year, such as sending school supplies to poor children in Nicaragua. Hopefully, the club will attract many members with its unique cultural activities and will continue to grow in years to come.

By-Line Staff Keeps Students Informed

The By-Line is the school's newspaper, made up of the work of any students willing to write. The By-Line always tries to cover everything that happens here at Berlin High, as well as provide a forum for editorials, drawings, and humor. Most students who write for the By-Line take pride in their submissions, and appreciate seeing them in print.

Over the past four years the By-Line has gotten better through each issue. More and more students write, and students also edit, proofread, draw and do the layout of the paper. The advisor for the By-Line is Mrs. Wolf, and the editor for this year was Nora Kazanyian. There have also been many contributors who have helped make the By-Line a great success.

Students Express Themselves in the Literary Magazine

There are many ways people will express themselves; there are those who paint, those who dance, and then there are those who write. Self expression is very important to young artists. The pages of "Signature" are mirrors in which everyone can see the reflections of the students in our school. The literary magazine publishes the work of the students who want to share their writing with their peers, or those who simply wish to see their words in print. An abundance of poetry, short stories, and even drawings can always be found in the biyearly editions of "Signature." The staff works to gather material and ultimately print and sell each issue. The creative minds of this school will never rest as long as there is an issue of "Signature" to be published.

Service League Lends a Hand

The Holiday Dance, the Card Party, Fashion Show, and the St. Patty's Day Tea are just a few of the many activities that are sponsored by the Service League. Forty four members strong, the league is advised by Mrs. Sandra D'Angona. It is one of the two school service organizations that help the community by planning various activities. From supplying hostesses for the Parent-Teacher conferences, to having members serve as morning announcers, the Service League was always there to lend a hand. This year, with the help of president Marsi D'Amore, the club proved to be one of the best school and community Service Leagues ever.

Ophelia Club Hosts Several Charitable Events

The Ophelia Club is one of the two service organizations at our school. Last year, they were awarded the "Governor's Youth Action Award" for distinguished service. This was a great honor, and the members are very proud to have the award displayed in the school's award cabinet. Ophelia also gives out its own service award each year. This is called the "Distinguished Service Award," and the club's members vote on whom they feel is worthy of receiving it. An outstanding amount of service is generally required.

This year, on the third Monday of each month, the Ophelia Club traveled to Jerome Hall. There they played games and spoke with elderly people. In addition, a good portion of their treasury was used to sponsor a needy child. The profits from the annual "School Turkey Contest" were used to help pay for this sponsorship. When Valentine's Day arrived, the Ophelia members held a "School Sweetheart Contest," another one of their many fundraising activities. The annual blood drive in March was the club's major project. Pints of blood collected from students and faculty, and many people outside of our school agreed to donate as well. The year ended with the traditional dinner, which all the present members attended.

Future Teachers: Students Get Exposed To The Profession

Each spring the Future Teachers of America at our school spend a day in the school of their choice, observing the assisting teachers. The exposure to the profession helps students to make decisions about their career choice.

The Media Club

The Media Club is an activity in which students help out in the school library. Members of the club transport televisions and other equipment around the school, and also help to check out library books. This club gives students a chance to become familiar with the school's media center.

W.E.R.B. is the school's radio station. Members take turns being "D.J.'s" and the experience helps them to expand their knowledge in the communications field.

Members of the Science Club Explore Nature

This year, the Science Club was fast at work trying to expand the knowledge of science not only throughout our school, but around the community as well. For the first time ever, representatives from the Science Club visited elementary schools to perform interesting simple scientific experiments for the children. Hopefully these experiments will interest them in the science field at an early age. Promoting science within and beyond the walls of Berlin High School is only one goal of the under-rated Science Club. In the spring, members look forward to the annual canoe trip weekend with anxious anticipation. This allows the members to get close to nature, and experience another way of life. Co-advisers Mr. McNulty and Mr. DelGiudice chaperon this memorable journey. In the fall, students went to the beach to collect sea creatures for marine biology students to study and observe. Last year, the club successfully compiled a time capsule which was filled with modern memorabilia that represented the beginning of the nineties and life in Berlin. As the new decade unfolds, the Science Club is continuing to make science fun and enjoyable for its members while providing a valuable learning experience.

Members of Math Team Demonstrate Their Academic Talent

The Math Team consists of a group of students who compete academically rather than athletically. Our school is one of twelve that participates in the Middlesex County Math League. The members attend practice regularly to prepare for competitions.

Being a part of a the Math Team has helped many students to increase their SAT's, refine their skills, and demonstrate their academic talent.

Members of Amnesty Fight For Human Rights

Every person on the face of this earth is guaranteed his or her human rights. These rights state that we are all equal; we all deserve the same freedoms. We have the right to hold our own opinions, and no one shall hold these rights against us. The problem is that human rights are being violated everywhere, even in our own country. Amnesty International is an organization which works to help the people whose rights have been infringed upon. Amnesty members write letters to heads of government in attempt to free prisoners of conscience. These are persons in jail merely for their beliefs and opinions. Most are not even given a fair trial, nor charged with a crime. The letters that our group sends may seem insignificant, but they do help in having prisoners released. The obstacle we face is that much more help is needed to control these unjust leaders. The problems are many and the solutions are few. Most of the time all we can do is hope. In the words of an old Chinese philosopher, "It is better to light a candle than to curse the darkness."

National Honor Society

The National Honor Society is an organization that recognizes junior and senior students for their academic achievement, character, school involvement and leadership. The members help to gather the town population census, tutor students and also attend a banquet at the end of the school year.

Students selected as members of the honor society are not only academically outstanding, but are also actively involved in their community and school. This year 35 students, 29 juniors and 6 seniors were chosen to be inducted. The speakers for the annual event were Theodore Rockicki, Superintendent of schools, and Theodore Sergi, State Director of the Division of Vocational Technical and Adult Education.

Drama Club Shines In The Spotlight

The popularity of the drama club has increased drastically over the years. When Mr. Kelly first started directing the production of 1983 "Babes In Arms" there were only about 25 members. By the time of the production "Hello Dolly" in 1988, there were approximately 120 members. As the number of members increased, so did the beauty of the costumes, the splendor of the sets, and the special effects by lights and other means.

The 1991 Seniors have had the opportunity to be in most challenging and exciting musical ever. These musicals were "Hello Dolly," "Anything Goes," "Camelot," and in March 1991, "Mame."

The drama club looks forward to "Mame" after the challenge of "Camelot," which was the most difficult show ever done. "Camelot" was an exciting and serious drama. The members portrayed grief, love and used illusion to convince the audience. This was very different from the lighthearted musicals done before.

"Camelot" was dedicated to Mr. Frost who died in 1990 and was involved with many of the drama club productions of the past.

The drama club anxiously looks forward to the spectacular future musicals that the Drama Club will continue to present.

The Chorus Makes Music

Over the past four years, the Berlin High School Chorus under the direction of Mr. Robert Kelly, has participated in countless activities of various types. When each new school year begins, both Chorus and Advanced Vocal Classes start learning and preparing their music for the Christmas season. In the fall, students are offered the opportunity to participate in the Northern Regional Festival and are also given the chance to audition for the All-State Festival. Also, during the fall, Mr. Kelly selects eight chorus members to learn their voice parts for some rather challenging selections to be sung at the ACDA Honors Choir at the University of Connecticut. When the Christmas season arrives, the Berlin High Chorus spreads Holiday cheer by caroling around town. The group also performs during the Berlin High Holiday Concert. Many members are encouraged to participate in the Drama Club Musical because of their vocal experience. In the springtime, the chorus performs in the Spring "Pops" Concert.

Throughout the year, the chorus is invited to sing at certain traditional town ceremonies and school events. For example, they sing several selections during the National Honor Society Induction Ceremony, the Graduation Ceremony, and the National Anthem at the Memorial Day Parade Ceremony.

During our four years in high school, the chorus has made two trips to Canada. In the freshman year the group traveled to Montreal to compete with other schools at the Heritage Festival. During their visit, they had a chance to sightsee around Quebec. The chorus returned bearing the award for first place in their division. Then, in the Junior year, the group went to compete at the Heritage Festival in Quebec and travelled around the illustrious sights of Montreal. They were once again the successful first place winners in their category. During their trip years, the chorus held several fund raisers to alleviate the cost of the trip. For example, they sponsored school dances, arranged the annual Talent Night, and sold Christmas and Easter candy. The sources helped the chorus treasury to raise a sufficient amount of money for the trips.

The Chorus reveals how much of a family they can truly become on the Canada trip.

BAND MARCHES ON!

With the new band director, Mr. Ronald Campanario, band was very prosperous this year. Two Drum Majors, Senior Meredith Pawlicki and Junior Melissa Uznanski, helped to make the football marching season run smoothly by directing the songs "Sanchez," "Somewhere Out There," and "Old Time Rock and Roll" on the field. Meanwhile, concert band prepared their Christmas tunes for the annual Holiday Concert in December. Senior President Steven Peronace, Monica Carlson and Rhonda Campanario serving as vice-presidents, secretary Adam Salina, and treasurer Alison Bailkal aided in the successful band year. All year long the band fundraised for their trip to Walt Disney World in Florida. The trip in March was memorable for all, especially for the Seniors who were leaving band after four long years of dedication to music at Berlin High School.

The year ended with the Spring Concert in May, a Senior Awards Banquet, and a march in the Memorial Day Parade.

Jazz Ensemble Gets Involved

The jazz ensemble once again provided the school and the community with outstanding entertainment throughout the past year. Under the direction of Mr. Robert Kelly, this select group of musicians played at all of the home games for the boys' and girls' basketball teams. The Jazz Ensemble also provided a portion of the program at both the Holiday and Spring concerts. Last year the group had the privilege of playing at Griswold School's twenty-fifth anniversary celebration. In addition, the group worked with the UpBeat program. They played on "Drug Awareness Day" at both Berlin High and Hubbard school, and have also performed at the Ledgecrest Convalescent Home over the past two years.

1990-91 Cheerleaders Show Their Spirit

Cheerleaders, have led the Redcoat teams to a vast number of victories. Cheerleading is a challenging activity as well as one that requires patience and many hours of practice. It adds excitement and enthusiasm to the school and student body. Leading this year's Varsity Cheerleading Squad are co-captains Nicole Phaneuf and Doreen Pethigal.

Throughout the past years, the cheerleaders have worked hard to achieve the recognition that they deserve. Evelisa Pulcini, the Varsity Cheerleading coach, has faithfully guided the squad in all of its endeavors, including performances at pep-rallies, basketball games, and football games. This year, the cheerleaders are also grateful for the help of Karen Biscoglio.

Drill Team Kicks Through Another Great Year

Out of all the schools in Connecticut, Berlin is one of the few that still has a Drill Team. This year's squad, led by captains Megan Kiniry and Tracy Mlynarsky, consisted of twenty dedicated members that were known for their great kick line and dance ability. In March of 1989 and 1991, the Drill Team went with the Band and Colour Guard to Florida and performed at Walt Disney World. Drill Team always gave their support at football games, wrestling meets, and basketball games at Berlin High and Central Connecticut State University. They also kept the spirit going at pep-rallies. This year, the Drill Team went out of their way and gave the soccer teams the support they always wanted by performing at some of their games. The squad has produced some great routines over the past years, and has also given endless support to the teams throughout each season.

Senior Members: Kara Dinda, Sara Bartlett, Sue Mailhot, Tracy Mlynarski, Megan Kiniry, Tammy Wright.

Colour Guard Gives Support

Senior Members: Lisa Centurelli, Elena Ludko, Tracy Ciaffaglione, Sara Suranna, Eva Buczek, Kathy Blancato.

This colour guard is one of the school's three pep squads. The 1990-91 squad was composed of twenty-three sophomores, juniors, and seniors who displayed school spirit all year round. From the annual pep-rally in the beginning of the school year, to the last basketball performance, the colour guard was always there to support our school. This year's squad was led by senior captains Eva Buczek and Sara Suranna, and junior captain Dawn Symonaitas.

One of their first performances was at a boys' soccer game against Aquinas at Willow Brook Park. This was the first time the colour guard performed at an away soccer game, and their performance was one of the colour guards' best throughout the fall season. Not only did the crowd enjoy it, but the soccer team was grateful as well. After that fantastic performance, the colour guard continued to perform at boys' and girls' soccer matches.

This year, the colour guard performed at Central Connecticut State University basketball games and wrestling matches in addition to the Berlin basketball games. All of the seniors helped to produce a great season, and their presence on next year's squad will be missed.

Sports

The sports teams at BHS are a vital part of many students' lives. Whether it is football, soccer, gymnastics, or any one of the eleven different sports that are available for participation, each provides students the opportunity to become well rounded individuals. Athletes also get the chance to meet new people and demonstrate their talents. The sports teams compete against a variety of schools within Connecticut, and have become extremely worthwhile over the past years. The class of 1991 has provided BHS with many talented athletes, including many who will continue their preferred sport at universities.

1990 REDCOATS FOOTBALL

Raging Redcoats Rip Up the Competition

The 1990 Berlin Football team enjoyed another great winning season. They achieved a record of 8-2 overall and 4-1 in the class SS Tournament. Head coach Al Pelligrinelli was assisted by Jim Day, Pat Phaup, Nick Pepe, Roger Pulito and Bob DiCicco. The Redcoats also benefitted from the guidance of former B.H.S. players Mike Russo and Chris McHale. Leading the Redcoats were Tri-Captains Sebby Urciullo, "all-state" Tony Santoro, and "all-state" tackle Forrest Conoly. Quarterback Tony Santoro executed great offensive plays while senior linemen Jason Yerema, Tony DeFrancesco, Jason Bourgois, along with Urciullo and Conolly quickly opened up holes in the field. Redcoat backs Kyle Cooney, John Pulito, Tom Coccomo and Junior Jim Machowski were then ready to run the ball. Defensively, All-Conference linebacker Sebby Urciullo led the team in tackles while all-conference nose-guard Tony DeFrancesco made sure that opponents ran his way. The stellar pass defense led by defensive backs Santoro, Cooney, and All-Conference member Coccomo did not allow one passing touchdown throughout the entire year. The first game of the season was a victory against Farmington. The Redcoats won due to two amazing passes and one drive. Both passes occurred when Santoro found Coccomo in the first half and scored. During the second half, Machowski and Cooney each caught one pass to complete touchdown runs and bring the Redcoats to a 20-0 victory. Sophomore and all-state punter Adam Salina is a guarantee that years of fine football are yet to come. Seniors Mark Gombotz, Chuck Emmons, Mark Veronesi, Darius Ledas, Tom Jaques and Joe Campbell rounded out the Redcoat solid defense.

1990 BOYS' SOCCER —

The Unbeatable Crew

The 1990 Boys' Soccer team will forever shine in B.H.S. sports history. The team has accumulated a great wealth of experience in a short four years. Led by captains Mike George, Glen Dube, and Mike Church, the senior members have mastered their positions and have easily broken four school records; the records for the most wins (12), best record (12-5-1), highest ranking (8th in class M), and the farthest advancement in the state (quarter finals).

An individual record was also broken by senior Mike Church, who scored 13 season goals. Church, as well as seniors Mike George and Jake Kritzer, made the All-Northwest Conference team.

One of the most exciting games of the season was against Aquinas. The Redcoats played for a crowd of over 850 fans at Willow Brook Park. Berlin easily jumped out to a 3-0 lead due to goals by seniors Steve Winarski, Dave Albert, and Mike Church. The fine play of seniors Sean Boucher, Jake Kritzer, Tai Nguyen, and Mike George also helped bring the team to victory. Twelve seniors will graduate leaving the future of Redcoat soccer unclear. Juniors Jason Miller, Jeff Schmitt, and Paul Muirhead will be left to lead a fairly unexperienced team. The 1990 team will hold a place in everyone's memory. Other skilled seniors include Dave Caliandri, Mike Murphy, and Greg Richards.

Defense: The Key to Victory . . .

The Girl's Varsity Soccer team had an excellent year ending the season with an outstanding record of 12-5-1. Thirteen talented freshmen joined the team along with a few new members. The Soccer team was captained for the second consecutive year by seniors Nicole Palczer and Jen Baccaro, and coached by Sheila King (a.k.a. Kinger). Spirits were kept high by the other seniors, and the freshmen knew they could always look to the veteran members for guidance.

The team qualified for tournament play and obtained a quarterfinal win in a difficult, action-packed game against South Windsor. They ended their season with a tough game, resulting in a loss against the defending state champions of Guilford.

Many individual members were given special honors for their achievements. Senior Jen Baccaro was named an All State Goalie. Megan Kiniry and Jeanne Marier were the leading scorers for the 1990 season, and Jeanne also broke the Berlin High School record for the most goals scored. Jen Baccaro, Megan Kiniry, Jeanne Marier, Lisa Masserio and Sue Church were all named to the All Conference All Star team.

1990 BOYS' CROSS COUNTRY
Going For It All

When people think of Berlin athletics, they think of the true athletes of Berlin High School — the 1990 Cross Country Team! The members of this team partake in invigorating four mile practice runs every day. Under coach Jim Keefe, the Cross Country Club was, to say the least, exciting. Led by tri-captains Kevin Cote, Jon Frink, and Scott Charanian, the team beat their longtime conference rivals South Catholic and Aquinas. The Redcoats, who had three thrilling season victories, placed sixth in the Northwest Conference Meet. As the season ends and the coveted "leg" is passed down to next year's team, the fall of 1990 will go down in history as a banner year for the Berlin High Cross Country Team. Other members include senior Mark Melnyk, juniors Chris Barnat, Tim Osborne, Darren Paladino, and sophomores Scott Bouchard, Jed Davis and Tony Trojanowski.

1990 GIRLS CROSS COUNTRY Off To A Great Start . . .

With a budget crisis and a new coach, the girls' cross country team were thrown off course for the 1990 season. Although almost eliminated from the sports program due to budget constraints, the team did run against 14 teams. Coach Keefe replaced Coach Scannel, who is an exchange teacher in England this year. Senior Andrea Johnson and sophomores Carolyn Noonan and Amy Fairchild were the leading runners for the team. In the NWC championships, Amy Fairchild placed 8th in the varsity race. Other members finished fifth, sixth, seventh, and eighth place.

1990 GIRLS' VOLLEYBALL

Serving Up The Wins

As if awakened from a long summer sleep, the returning members of the volleyball team stumbled into the "A" gym several days before classes began. Weeks of practicing and getting back into shape quickly prepared the girls for their first game against Rockville. In this game, the Redcoats posted a 3-1 victory with scores of 15-10, 15-5,12-15, and 15-8.

Extra perseverance and drive led the team to recapture a share of the Northwest Conference Championship Title. In three exciting and victorious games, Berlin overpowered rival Middletown with scores of 15-13, 15-8, and 16-14. This game was one of the team's best in the sense that every member contributed substantially. Senior captain Laura Pucci and junior captain Leah Veleas did a superb job in their setting and serving, while juniors Beth "Rude" Reibeling and Dawn "Homey" Symonaitis controlled the nets with their unstoppable kills and blocks. The Redcoat's dominating defense, an aspect of the game that is vital in attaining victory, was led by seniors Rebecca Armstrong and Holly Ireland, and junior Joy Cooper. Cooper also served extremely well. Although junior captain Jennifer Carosielli was injured at the start of the season and was unable to participate in this game, her contributions toward the end of the season should not go unmentioned.

This well deserved victory over Middletown is especially important to the four seniors — Armstrong, Pucci, Ireland, and Stacey Versachi. Middletown took the NWC title away from Berlin in 1987, and the team was unable to defeat Middletown again or share of the title until this season. Versachi, who joined the team as a junior, did a great job for the Redcoats, especially in her serving against Tolland, a team which the Redcoat's defeated twice with scores of 3-0 both times. The senior members will miss the friendship they made and the good times they had over the years.

The varsity team's overall record ended at 14-5, while the JV team posted an outstanding record of 18-0. Setters Pucci and Veleas and hitters Reibeling were named as All Northwest Conference players.

1990-1991 BOYS' BASKETBALL

A Season To Bounce Back

Led by Senior captains Dave Swanson and Mike George, the boys basketball team has played well despite the odds. The Redcoats have suffered due to the loss of Senior Jake Biscoglio because of an early season injury. Several starting positions were also left empty after the 1989-1990 season. Coach Ken Parciak and assistant coaches Bob Tariago and Bob Storozuk filled the empty spots and kept the morale high and the team aggressive. In the meeting with South Catholic, the unfortunate loss caused Coach Parciak to smile. He felt "that was the best half we've ever played. We rebounded well and we executed." The Redcoats were led by the scoring of Senior Dave Swanson and Sophomore Dave Bosso. Sophomore Shawn Pellitier led the Redcoats in rebounds. The final season record was 4-13. Seniors Dave Thibodeau, Steve Winarski, Fred Jortner, Jim Percival, and Paul Liss helped the team tremendously. Next year looks to be a more successful year, despite the loss of some talented seniors.

1990 BOYS' WRESTLING

Strong Under Pressure

The Berlin Wrestling Team finished its season with a 13-9 dual meet record. During the season, the Redcoat matmen captured their seventh consecutive Northwest Conference title. Led by Head Coach Jim Day, Coach Alford, Coach Hackney, and senior co-captains Chuck Emmons and Mark Gombotz, the Redcoats finished strong with an outstanding performance in the NWC tournament. Junior starter Marc Weston filled the 118 pound weight class and finished with a 15-4 record. Weston captured the NWC title and was a member of the Junior National Freestyle and Greco Roman team. Freshman Todd Pucci and Sophomore Gary Mylnarski wrestled at 112 and 119 pounds respectively. Sophomore Paul Veronesi broke the varsity lineup and started at the 125 pound weight class. Senior Jeff Lamore finished the season with a 12-8-1 dual meet record and placed third in the Berlin Invitational. Lamore finished his season by winning the NWC title. Juniors Fred Alkas and Josh Clifford helped the Redcoats fill the 135 pound and heavyweight classes. Clifford finished with a 14-0-1 dual meet record and won the NWC tournament. Junior Brian Salsbury concluded a winning season by being named Outstanding Wrestler in the NWC tournament after upsetting top ranked Shawn Curtis of Plainville. Senior co-captain Mark Gombotz won the 145 pound Conference Championship and finished the season with a 19-6-2 record. Other co-captain Chuck Emmons won the 160 pound Conference Title and finished the season with a 16-1 record. Emmons recovered very well from an early season injury. Juniors Alan Morton and Chris Mull started at 152 and 171 pounds respectively. Mull won the conference and finished with a 14-4-1 record. Senior Jason Yaremа after a late arrival, helped the Redcoats fill the 189 pound class. The Redcoats will host the 1991 Class "M" State Tournament for the first time in town history. The Redcoats are also contenders for another state title. REDCOATS DAY

June 14, 1990

After the 1990 spring sport season, the Berlin High School athletes and teams achieved a new standard of victory when three different state championships were captured. The girls' softball, boys' baseball and golf teams all reached their seasons highest goal. In honor of this athletic excellence, school and town officials proclaimed June 14, 1990 as "Redcoat Day." A ceremony at the Berlin Town Hall was held, with athletes, coaches, townspeople, parents, state representative Ann P. Dandrow, state senator Cynthia Matthews, Mayor Robert Peters and the Superintendent of Berlin Schools, Theodore Rokicki attending. The Berlin High School Band assembled and played an honoring tune for the sports teams. Each coach proudly briefed the public of the trials and tribulations that each team experienced on the trail to the championships. At the end of the ceremony, a motorcade was formed weaving through the streets of Berlin, including in the motorcade were the East Berlin Fire Brigade, a white limousine carrying the coaches, and the cars of the athletes and families. The motorcade ended at the high school, where the sports awards ceremony was held.

1990 BOYS' GOLF — A Stroke Above the Rest

The Golf Team has finished yet another excellent season. Under the expert coaching of Don Bates and assisted by Jim Bryers, the team ended the season with a phenomenal record of 28-4-1. Coach Bates has 569 victories under his belt in his 37 year tenure. He has been inducted into the Golf Hall of Fame, and recently received the 1990 "Doc" McInerney Scholastic Coach Of The Year award presented by the Connecticut Sports Writers Alliance. Although his team was somewhat short in experience at the start of the season, they quickly became a solid team due to consistency. The team captured their fourth consecutive State Championship this year. The turn around of the year was the victory against Farmington to clinch the Northwest Conference title. Berlin tied Farmington in their first meeting but the second time around captured the win by fourteen strokes. The excellent play of John Lineen and Kyle Gallo, who each shot 39, led the team to victory. The team hopes to continue their excellent winning tradition next year with the help of Senior John Lineen, and juniors Mark Chant, Don DeMaine, Gary MacDonald, Kevin Motyka, Jason Miller, Eric Seaburg, and Scott Spendolini.

Racking Up The Points

The 1990 Boys' Track team posted an excellent 10-5 overall record. Despite the lack of track facilities in the town, the Redcoats remained undaunted throughout the season. The swift feet of senior Jake Kritzer enabled him to be a double winner in a tri-meet with Plainville and South Catholic. Kritzer finished first in both the 5000 and 3200 meter runs. The long legs of senior John Frink were an asset as he captured a first place victory in the 110-meter hurdles. Senior Dave Albert posted a first place win for the Redcoats with a 9'6" vault. Berlin had seven NWC qualifiers including seniors Kritzer, Frink, Greg Richards in the 100 meter hurdles and junior Chris Barnat in the long jump. At the season's end, Kritzer was named the most valuable player, and "all-conference" in the 5000m. Frink claimed a second place victory in the high jump at the NWC competition as well as the Redcoat Award. Other senior members include Scott Charanian, Kevin Cote, Mark Melnyk, and Jason Margnelli.

1990 GIRLS' TRACK

Hurdling Over the Competition

One singular track and field meet consists of a variety of challenging individual competitions. From hurdles to the discus, the relay, the 1600 meter, the javelin, all the participants devoted many hours to polishing their personal event to perfection.

The 1990 girls' track team achieved many honors, both individually and as a team. This team reached the one hundredth victory in the Girls' Track Program at Berlin High. The sprinters and throwers together also won the Northwest Conference Championship Meet. School records were broken by senior athletes Amy Zuffelato, Meg Kiniry and Rebecca Armstrong. Underclassmen record breakers were Amy Bonaker and Sara Szczepanick. In addition to those outstanding achievers, were the athletes who were named All Northwest Conference players. These girls were seniors Amy Zuffelato, Rebecca Armstrong, Shannon O'Brien and sophomores Katie Baccaro, and Sara Szczepanick.

1990 BASEBALL

A Winning Wonder

The members of the Redcoat Baseball team are not strangers to the thrill of victory. The 1989 team captured the state champion crown and encouraged the present team to defend it. With minds set, the 1990 Baseball team set out to capture their 2nd consecutive championship. The team gained national recognition — by tying the national record of seven straight shutouts. This was made possible partially by CT State Gatorade Player of the year, and all state player Sean Garrison. Seniors Dave Swanson and Jake Biscoglio, both members of the Northwest Conference All Star Team, pitched numerous shutouts throughout the season. Despite a perfect 22-0 overall record and 11-0 League record, the victories were not easy. One such victory was the 4-2 win against Plainville. The Redcoats were behind 2-0 until the sixth inning when Scott Coletti tied the game with a two run shot over the left field fence. Swanson hit a screaming two run homer over the right field fence in the bottom of the seventh to bring the Redcoats to victory. Due to the fine play of the all star team members Garrison, Rob Manzo, Steve Petit, and Kyle Cooney, the Redcoats averaged 8.09 hits per game, allowed only .86 runs per game, and pitched 13 shutouts. The 1991 Baseball Team with key senior players Swanson, Biscoglio, Petit, and Cooney returning along with seniors Mike Church, Tom Coccomo and Tony Santoro, can expect to win their third championship. The seniors will be assisted by underclassmen Jay Albert, Fred Alkas, Eric Carling, Kevin Crowell, John Kozlowski and Bryan Zup.

1990 GIRLS' SOFTBALL

Strike One . . . Strike Two . . . Strike Three . . . Softball Wins Again

In the midst of a gray, drizzling day June, the softball team claimed victory over previously undefeated RHAM for the Class M Championship title. Monica Earley, the team's esteemed pitcher, hurled in the strikes, permitting only four hits. The final score of 13-1 was achieved with triples by Jennifer Baccaro and Cynthia Gozzo and other solid hits by Leah Veleas, Kathy Bilosz, Joy Cooper, and Sarah Bartlett. With an overall record of 21-1, the final victory was well earned by the season's players. The returning seniors include Jen Baccaro , Sarah Bartlett, Lori Bourgoin and Holly Ireland. Jen Baccaro has earned many prestigious softball achievements such as being a *Hartford Courant* "All Stater," and a *New Haven Register* "All Stater." She is also an All-Northwest Conference player, along with Sarah Bartlett and junior Joy Cooper.

1990 BOYS' TENNIS

Serving Up a Victory

As in past years, the Boys' Tennis Team has shown itself to be a superior athletic program. Captained by Jamie Munson, Ken Naide, and Scott Spooner, the Redcoats finished the season with a superb 16-1 record. Losing only to the Class LL powerhouse Staples, the team brought the Northwest Conference Championship title home winning 95 out of 103 matches. The Redcoats blanked longtime NWC foe Farmington 6-0 and 7-0 with straight-set victories by Jaime Munson, Scott Spooner, Ken Naide, and Todd DeGroff. In tournament play, All-State performer Munson upheld his number one seat by winning the NWC singles title. Berlin came away with the NWC doubles title due to the fine play of Spooner and Naide. A highpoint of the season occurred when seniors Jeanne Marier and Tai Nguyen teamed up to win the NWC mixed doubles crown by defeating the St. Paul's pair. They hope to repeat their victory again this year. With the majority of the starters leaving, the 1990 squad will look to seniors Nguyen and Steve Peronace, juniors DeGroff and John Padden, and sophomore Mike Blancaflor to match the superior play of the 1990 team and defend the NWC title.

Tai Nguyen returns the volley with a monster forehand.

Todd DeGroff puts away a high volley.

Members of the Tennis Team are Tai Nguyen, Steve Peronace, Todd DeGroff, John Padden, and Michael Blancaflor.

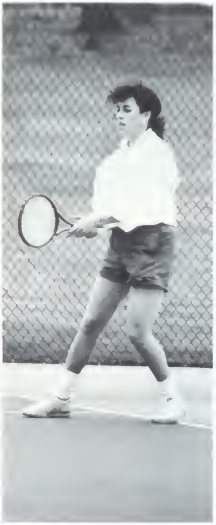
1990 GIRLS' TENNIS

Racking Up The Points



Jeanne Marier provides a top notch Redcoat rally.

The year of 1990 proved to be a successful one for the Berlin Girl's Tennis Team. Winning eleven matches, and losing only four, the team earned their best record ever. They were second in their Northwest Conference league. The captains for 1991 are Jeanne Marier and Diane Chutkowski. The girls were also successful in their Northwest Conference Tournament. Jeanne Marier won the singles final match while Diane Chutkowski was runner-up. In addition to this, sophomores Shelly Ravizza and Kelly Spooner were runner up in the doubles Northwest Conference Tournament.

OUTSTANDING

GLEN

Glen Dube has been involved in sports throughout his four years at B.H.S. He has been a member of the soccer team and is one of this years tri-captains. Glen is also a member of the Wallingford Hawks hockey team. Glen brings his skills onto the ice and has helped the team achieve a 21-1-2 record. Glen possesses the best slapshot on the team and the power to deliver great body checks. Although he plays a defensive position, he leads the team in a number of assists on goal. Glen hopes to continue playing hockey on the college level next year.

MARK

Berlin High School has one member on its swim team — Mark Melnyk. Mark first moved to Berlin from Newington in the tenth grade. While at Newington High School his love for swimming began. After moving, he was unwilling to give up swimming to he talked to Mr Hall who arranged for him to practice and compete with Newington High. Thus, for the past three years, Mark has represented Berlin in swimming meets. The Newington coaches have been very hospitable toward Mark, and he appreciates their cooperation and support. Mark is also involved in track and cross country, but should especially be acknowledged and congratulated for solely representing the Berlin High swim team.

JAKE

Jake Kritzer began ice skating in elementary school. His skating ability has improved greatly over the years. He is presently a member of the Wallingford Hawks Hockey team. The Hawks have a 21-1-2 season record and Jake Kritzer definitely deserves some of the credit from that record. He is explosive in his left wing position. By combining both speed and agility, he poses a threat to his opponents. Jake has scored three hat tricks as well as numerous single shots. Jake is also a talented B.H.S. Soccer player. He hopes to continue playing soccer in college although he will consider hockey as well.

ATHLETES

JENNIFER

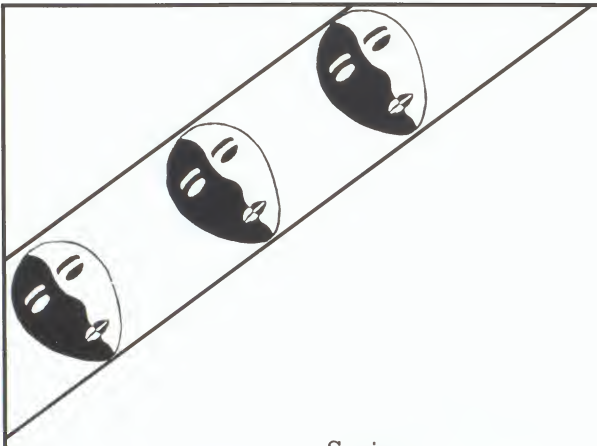
Jen Baccaro has accumulated a lengthy list of honorable achievements in her four years of being a varsity athlete. As a freshman, she was awarded a varsity letter in soccer, basketball and softball. In her sophomore year, she was named an ALL conference athlete in her three sports. As a junior, she was a three sport All Conference player along with being elected to the Connecticut Soccer Coaches' Poll. She was the Most Valuable Player for basketball and in softball, she was ranked fourth in the nation for triples and was elected to the New Haven Register All State team and the Hartford Courant All State teams.

JEANNE

As a sophomore, Jeanne Marice played the number two position for the Girls' Tennis team. She finished the season with an 11-4 record and captured the Northwest Conference doubles crown. In her junior year, Jeanne led her team at the number one position with a 10-6 record, winning both the mixed doubles Tournament and the Northwest Conference singles title. As the 1991 team captain, Jeanne hopes to lead her team to the top of the Northwest Conference with a winning season.

REBECCA

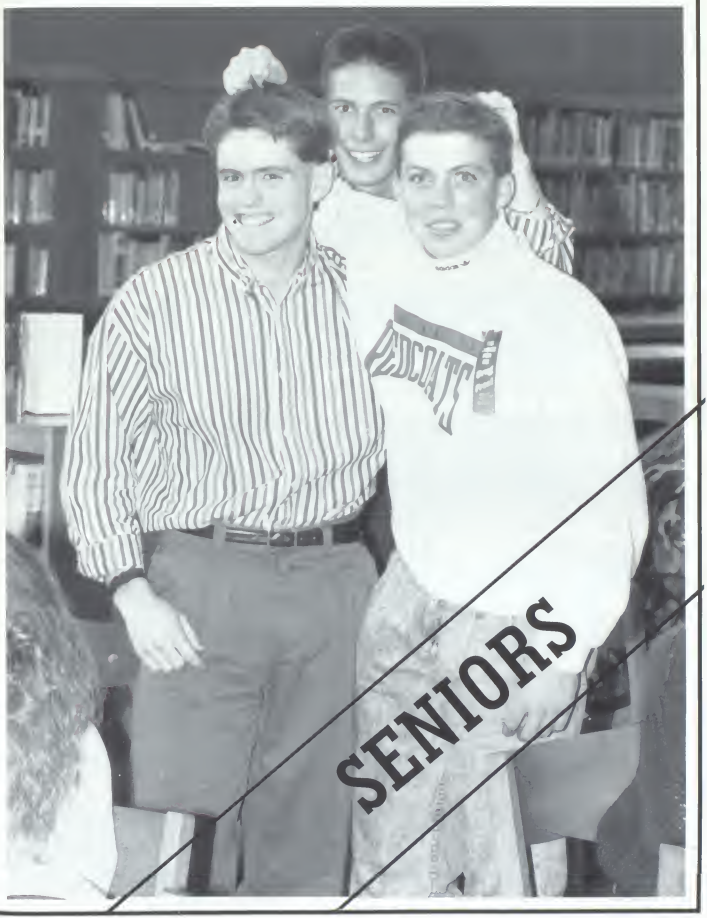
Rebecca Armstrong joined the track team in the spring of 1988, unaware of the javelin records she was going to break. In her first season, she broke the freshman record, placed fifth in the Middletown invitational and sixth in the Class M Championship. As a sophomore, she finished the season in second place in the Northwest Conference for javelin and broke the sophomore record. Each year, Becca is progressively improving, and she ended her junior season by breaking the junior record, placing first in the Northwest Conference, third at the Class M Championships and finishing eighth at the State Open. Along with excelling in javelin, Becca is a varsity volleyball player and also maintains an above average academic record.



Seniors

At the start of each year, a number of small, intimidated freshmen enter high school, a place where they will remain for four years. They walk down the hallways, and it seems as if everyone is bigger and older. As these young students progress from year to year, they meet many people, become involved in their school, and before they know it, they are the oldest and biggest students. Now it is their turn to look down upon their fellow students and experience their "year of domination" and seniority.

Senior year is a special, fun-filled time. Aside from being able to demonstrate their ability to be leaders within the school, the seniors value this last year that they have to spend with their close friends. Many of these seniors will be going off to different colleges or pursuing other activities after graduation, and this last year is an important one because they experience many great times, laughs and memories with their best friends.



SENIORS

Our First Years
THE EARLY 70'S

Students from the class of 1991 were born during very eventful, if not turbulent, years of history. Politically and socially many changes were being made.

On January 7, 1972, President Nixon officially announced that he would run for re-election. In the same month, Surgeon General Jesse Steinfield asserted that carbon monoxide in cigarette smoke endangers the health of non-smokers as well as smokers . . .

On April 20, 1972, astronauts John Young and Charles Duke, Jr. landed on the moon and explored nearby terrain through the windows of the Orion lunar landing module.

Two days later protest marches against the Indochina war in New York, San Francisco and Los Angeles drew approximately 30,000 people in each city.

On May 11, 1972, the Boston Bruins defeated the New York Rangers, 3-0 to win hockey's Stanley Cup playoffs, four games to two.

In September, 1972 Arab commandos, some disguised as athletes, burst into the quarters of the Israeli delegation. Two abductors demanded the release of 200 Arab commandos imprisoned in Israel. A group called Black September claimed responsibility. As a result of the attack on the Israeli Olympic team, the games are suspended by the International Olympic Committee. This was the first time the games had been suspended since they were restarted in 1896.

The year of 1973 proved to be a momentous time period. In January, a cease-fire agreement aimed at ending the war in North and South Vietnam was signed in Paris. Two months later the terms of the Paris truce agreement were completed as the last of the U.S. troops were withdrawn from South Vietnam.

Also in March, 1973, Connecticut and Washington became the 29th and 30th states to ratify the Equal Rights Amendment. (no comments Marnol)

Four top Nixon aides — E. R. Halderman, John D. Ehrichman, Richard Kleindienst and John Dean — resigned in April 1973 as a result of the widening Watergate affair.

In June, the Supreme Court handed down a series of rulings that redefined obscenity and made it possible for states to band works that they found offensive to local standards.

Typhoon "Nora" left 800,000 Filipinos homeless on the island of Luzon in October 1973.

To end this year Gerald R. Ford was sworn in as the 40th vice president of the United States.

FRESHMAN

The Accomplishments We Have Gained

'91 HISTORY

The time has arrived for our four years at Berlin High to come to a close. As we move on to college, the work force, or wherever else we may choose to go, we should take a look at the past four years and what they have meant to us. We came into the school with many friends. Along the way, we picked up many more, and probably lost a few as well. Despite the bad times we have had, there have also been some good times that will stay with us forever. We have been a class filled with spirit and creativity — one spirit award and three hallway decoration awards will attest to that. Our class has displayed community concerns. Up-Beat began and flourished with the class of 1991. The band has shown our class has amazing musical talent. The class of 1991 made its strongest impact in sports. We've been a part of state champion teams in golf, softball, wrestling, and baseball. These four teams, plus the volleyball, girls' track and field, football, girls' basketball, and tennis teams have all taken Northwest Conference Titles. The class of '91 also provided the nuclei for the best mens' and womens' soccer teams ever to come out of BHS. Take a great Junior Prom (STAYIN' ALIVE, STAYIN' ALIVE . . .) and a Senior Ball to top it all off, and you have in a nutshell, the best class ever to survive Berlin High.

"This is heresy" — Christian Death
Do not let Them fool you, They lie.
Think with your heart and hold those
close to you dearly. Seek the Truth and
stand up for what you believe. Society
rapes the children — we are the chil-
dren. If we die before we wake, pray
the Lord our souls to take. Don't be
afraid to close your eyes to something
but remember that it will be there
when you open them. If you can see
the invisible, then you can do the im-
possible.

"Having been an advisor for the past four years has afforded me the opportunity to get to know and interact with some wonderful kids. It has been a challenging, yet exciting and fun experience. My only regret is that I did not get to know more of the students in the class of 1991."

Ms. O'Hagan

"If you believe in what you want to happen, it will. Our hard work and effort will pay off."

Jen Baranowski

"Thank you for letting me prove myself in achieving success. By devoting time and hard work, I was able to please our class doing the best job I could."

Sara Suranna

MS. O'HAGAN

One of the many people who have helped to guide us through our high school years is our class advisor and friend, Ms. Evelyn O'Hagan. Not only has Ms. O'Hagan dedicated her time and effort to our class, but she has also given us support and leadership. The countless hours that she has contributed and her unending patience will not be forgotten. Although we must leave and start new beginnings, the class of 1991 leaves Ms. O'Hagan with a sincere thank you and best wishes for the coming years. Her guidance has helped each of us to grow and learn, and her familiar face will remain in our memories when we say goodbye.

FACES

People We Can Lean On

The Officers of the Class of 1991 have devoted many hours of their days both in school and out of school to make our class successful. Thank you for being there for us to lean on through our four years at Berlin High School.

Lisa Centurelli — Secretary, Nicole Phaneuf — Vice-President, Jen Baranowski — President, Sara Suranna — Vice-President, Jake Kritzer — Treasurer

"All of our hard work this year will pay off in the end."
Nicole Phaneuf

"If our four years of high school were a house, and graduation was the attic, there was no staircase leading up there."
Jake Kritzer

"You can never be too busy to accomplish all the things that need to be done."
Lisa Centurelli

The Hidden Talents Of

While high school mainly involves academic experiences, co-curricular activities also play a major role in the education of students. Many of our classmates have shown a diversity of talents in numerous activities outside of the school day. The familiar faces on these pages are acknowledged for their special talents.

Pianist In Concert

Since the age of six, Amy Bryzgel has been taking piano lessons. Because of this, she has become a wonderful pianist and has been recognized by different musical organizations. Her achievements began in the summer of 1988 by attending The Center for Creative Youths at Wesleyan University. This is a five week residential program for the arts. In 1990, Amy returned as a counselor, taught music theory, and coached ensemble. She also attended The Greater Hartford Academy of the Performing Arts from 1989-1990 and majored in piano. For five years Amy has been in the National Piano Guild Auditions. The Connecticut State Music Teachers Association Rituals hosted her in 1989 and 1990. In April of 1990, Amy was accepted to the Hartt School of Music — Junior Auditions and in May, she was also accepted into the National Honors Recital. This young pianist has great promise for the future.

Mission Into The Future

In April of 1989, Maria Sorrentino and Tracey Fenn left for Huntsville, Alabama to attend the United States Space Academy. During their 10 day stay, they experienced a lifestyle similar to that of an astronaut's. After attending a total of 104 hours of training classes, they were prepared to perform their designated positions in the final test. This test was a fully simulated 24 hour mission where the students completely controlled the operations of the Space Shuttle.

Maria was assigned the position of Mission Specialist aboard the shuttle, and Tracey was assigned the position of scientist in Mission Control. Both Maria and Tracey proved their capabilities by succeeding well all the problems they encountered throughout the simulation. A graduation ceremony brought the program to an end. They both know that they will never forget the experience and special friendships they made during their brief excursion in to what they hope will be their futures.

Dancer In The Spotlight

Dancing has been the most influential thing in Megan Kiniry's life. Being a dancer has molded Megan into the person that she is today. She began jazz, tap, and ballet lessons at the Griffith Academy at the age of 5. Megan began Irish Step Dancing and went on to win 1st place in eight New England and Irish Step Dancing championships and five National Championships. In the 8th grade, Megan competed in two All-World Irish Step Dancing Championships held in Ireland. At the second competition which was held in Galway, Ireland, she won the Aire-Lingeas Award for the best non-European dancer in the world in her age group. Megan hopes to continue her dancing in the years to come.

Vocalist In Performance

Heather Cartier started singing in the seventh grade. She has been a member of chorus for four years. For three years, she has received wards for competing in the talent show. The Hartt School of Music is where she obtained lessons for two years. She has sung at the Holiday Inn Hotel in New Britain as well. In addition, she has performed in Cabaret at the Ramada Hotel Dinner Theatre. As a five year old she was soothed by the voices of Julie London, Frank Sinatra, Eydie Gorme, Barry Manilow, and Barbara Streisand. Whenever Heather sings, she tries to portray the same feelings of warmth and comfort that she received from these talented singers as a child.

Career In Modeling

Doreen Pethigal has been involved with John Casablancas Modeling and Talent Agency since the end of October, 1989. She feels that the organization is a great experience because it prepares people for careers that they wish to pursue.

Classes featured are skincare, makeup, runway, fashion, television, and communication. Each class is very helpful and demands different skills needed to succeed in a modeling career.

Doreen has had the opportunity to do runway shows, be on television commercials, and work with thousands of people at the Greater Hartford Open. She has also worked at other companies doing promotional work.

Not only does the agency find work for students, but it also teaches clients to have confidence in themselves. Doreen has had many good times attending John Casablancas Agency, and she plans to continue her work and classes there.

Underclassmen

. . . And of course, the underclassmen should not be forgotten. After all, without them, who would the seniors have to push around? These individuals make up the majority of the student population. They contribute to all aspects of student life, including sports, clubs, and many other activities.

These students, whether they are freshmen, or soon-to-be seniors, always experience a number of great times. When they progress, become seniors and eventually graduate, they will cherish many memories of their first high school years. (Be patient, underclassmen . . . just a few years to go!)

UNDERCLASSMEN

Freshmen Explore High School Life

CLASS OF 1994

On the first day of high school we can safely say that all of the freshmen were nervous. That shade of nervousness vanished within the first week of school. We sat back and admired what we had in front of us, a great school with great teachers and opportunities. Most of the freshmen became involved in extra curricular activities such as sports and upbeat. We figured if the school is offering so much, why not get involved and take advantage of it!

High school is a big change from McGee or the other middle schools we attended. Each student has so much more freedom in contrast to the confinement and myriad rules of McGee, St. Pauls, and other such schools.

We think that groups such as UpBeat help us to make the right decisions and not abuse our freedom and privileges. If there is one thing we've learned in the first few months of high school, it's that freedom goes hand in hand with responsibility.

Our freshman year is one of learning, dating and having fun. Many of us are anxious to move up in the school but we like being freshmen and it's an experience we won't soon forget.

Kristen Kohl, Lynn Orlowski, Bill Kiniary and Dena Ciafagglione get ready to lead the Freshman class as officers.

Rose Wass and Ann Marie Lee entertain with the band at the fall pep rally.

Sara McLaughlin, Wendy Prygoda, Sara Kochanowski, Michelle Pandolfi and Rose Wass dance the night away at the spirit dance.

The boys soccer team warm up in preparation for their big Farmington game.

Amy Zeigler and Stephanie Marturano rest during gym class.

Dena Ciaffaglione and Maureen McDermott pose during a short break in English class.

Dave Zuffelato prepares to block a goal during a soccer game.

Allyson Forsyth, Erin Dickenson, Amy Smolski and Sarah O'Neill perform at the fall pep rally.

Moving Up: Class of 1993

The class of 1993 has enjoyed another exciting year at Berlin High. We are not the freshmen anymore, but we have not yet reached the rank of upperclassmen. Under the leadership of class officers, Dave Stefanowicz, Lisa Masserio, Laureen Dabrowski, and Shelly Ravizza, our class has enjoyed its share of successes. Sandy Berardi received the honor of being elected our Homecoming attendant, and Jenifer Sampt was selected to attend the Hugh O'Brian Youth Foundation seminar. We look forward to our remaining two years at B.H.S. with great enthusiasm, and hope that they will be as rewarding and fulfilling as the past year has been.

Sophomore Class Officers: Lisa Masserio, Vice-President; Dave Stefanowicz, President; Laureen Dabrowski, Secretary; Shelly Ravizza, Treasurer.

Junior Year: Joy and Pain

CLASS OF 92

As we entered junior year we knew nothing of the struggles that lay ahead. The demanding workload added to the pressure of junior year as a whole. We view college with both anticipation and intimidation; our B.H.S. years are coming to an end, and our futures are just beginning.

This year more than ever, our officers: President Paul Simeone, Vice-President Karen Spring, Treasurer Beth Reibling and Secretary Dawn Symonaitis are hard at work to make our last two high school years the best possible.

In the fall, our class ring arrived and put us one step closer to our graduation. We suddenly are forced to seriously consider our future plans, be it college or the work force. The

decisions are now our own, and we are becoming more independent. Also, we are beginning to appreciate our high school years because we realize how quickly they have passed by so far, and how fast our senior year will fly by. Before we know it, we will be going our separate ways to fulfill our hopes and dreams.

As freshmen and sophomores, we were looking forward to finally being upperclassmen. Now that we are juniors, senior year is right around the corner, and our most difficult years are behind us. With the joy of being upperclassmen comes the pain of responsibility, college quests, S.A.T.'s and the end of our memorable high school years.

Academics

While sports and other activities are often given the most recognition, academics should not be forgotten. Education is the most vital aspect of any student's high school life. In order to graduate, the students at BHS must pass a number of academic courses in different areas of study. Throughout four years, students learn a great deal and become more knowledgeable, intelligent people and contributors to society. Many of these students will continue their education at 2-year and 4-year colleges and universities, and some will even go on to graduate school. What these students learn and pick up in high school will become the basis for their post-high school pursuits.

DEDICATION

Mr. Donald L. DeLisle, Assistant Principal

On October 9, 1990, Berlin High School lost a deeply revered educator, administrator, and friend. Donald L. DeLisle etched a permanent mark upon the educational system of Berlin High, and because of his enduring dedication and influence upon our lives, we, the Class of 1991 wish to dedicate our yearbook to the memory of this highly regarded man.

For three decades Mr. DeLisle was a chief contributor to the shaping and molding of our educational institution. He rose up the ranks from a beloved teacher of French to a responsible Assistant Principal. Although we generally remember him as our disciplinarian, he never exercised his position without just cause, giving advice, and a supportive smile. Mr. DeLisle not only demonstrated his assertiveness as an authority figure, but he was also known to many of his colleagues as a friend with a wonderful sense of humor.

Mr. DeLisle was more to us than an appointed dealer of "three hours!" Whether he cheered through a rainy Saturday football game or trudged up to the Berkshires for an UpBeat Training Weekend, he always displayed his support of Berlin High Students outside of the classroom.

For all of these reasons, we will greatly miss Donald L. DeLisle, and dedicate our yearbook to him.

TEACHERS SWITCH JOBS FOR 90-91 YEAR

Mr. Scannell

Mr. Kuhn

For the 1990-91 school year, Mr. David Scannell and Mr. Richard Kuhn swapped their houses and jobs so that they could experience being educators in a different part of the world. Mr. Kuhn, originally from London, England, took over Mr. Scannell's position in Berlin High as a teacher of English. Meanwhile, Mr. Scannell traveled to London and replaced Mr. Kuhn for the year. Although the differences in teaching and living in a different country took time to adjust to, both teachers seem to enjoy the switch and felt that it was definitely worthwhile. The major adjustment for the two teachers was the change from an urban environment to a suburban setting. (and vice versa) Mr. Scannell, a resident of Bristol, Connecticut, had to adjust from teaching in a fairly small town to teaching in an inner city school, while Mr. Kuhn had to adjust to the opposite.

When asked about some of the differences between the United States and England, Mr. Kuhn felt that more pressure was put on students in the U.S. He also commented on the fact that living in the United States is much cheaper than in England. Mr. Scannell enjoyed many aspects of life in England. He said that travel is much easier and there is more vacation time. However, he did admit that he missed the Berlin Fair, the annual pep-rally, and the cross country team.

Overall, both teachers felt that their experience turned out to be quite interesting. The organizations that were responsible for the switch were the Fulbright Scholarship in the United States and The Central Bureau in England.

MR. SPIELER RETIRES

After 35 years of teaching at Berlin High School, Mr. Ernest Spieler will retire and begin a whole new life. Mr. Spieler has devoted many hours and energy to his teaching over the years and will certainly miss the students as well as his colleagues. Besides teaching English here at BHS, Mr. Spieler also directed the Senior Class Play for the first 12 years he taught here. Some of his richest and most rewarding experiences were found directing the plays, but due to the demands of time, he had to give up the job. Mr. Spieler has been the English Department Head for at least 20 years at BHS.

When Mr. Spieler first began to teach at BHS, he felt that his main task was to make contact with his students and that is exactly what he has been able to do throughout the 35 years of his teaching career. After decades of hard work, Mr. Spieler plans to spend more time with his friends and family, and even find a part time job which will be an off-shoot of his career as an English teacher. The faculty and students of Berlin High thank Mr. Spieler for sharing his knowledge and enthusiasm with us for so many years, and we wish him the best in his retirement.

Expression is the key!

Berlin and New Britain Join Together in Humanities Program

The humanities program, which was established just two years ago, has developed considerably this year. Over seventy high school seniors took the course, and their involvement increased their knowledge in the fields of philosophy, sculpting, architecture, and religion.

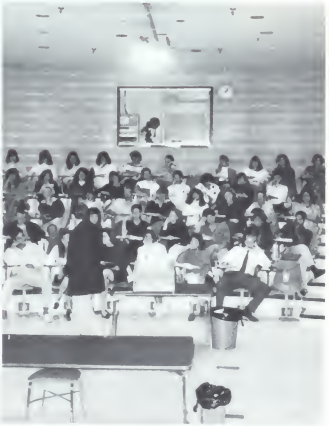
One of the main activities for this year was putting on a series of Shakespearean excerpts. The students met weekly with members of the humanities program at New Britain High, and practiced to prepare for this performance. This experience allowed the students to meet new people and exposed them to a different school atmosphere.

The Humanities group also took a trip to the Metropolitan Museum of Art in New York City. After spending a few hours at the museum, the students then viewed the movie "Theo and Vincent," a story about the life of the Van Gogh brothers.

With exciting activities such as these in store for next year, the Humanities program will undoubtedly attract several diverse and eager students.

Mr. Calise is an active and informative instructor of the Humanities program.

John Manning, an English professor at UCONN speaks to the Humanities students at New Britain High School.



The Humanities students are mesmerized by the exciting lectures given by each speaker.

Humanities Offers New Perspectives In Learning

Mrs. Daniels expresses her appreciation of the Arts by providing her students with creative ideas.

Professor John Manning presents his insightful lecture about the background of drama with enthusiasm.

Both Berlin High and New Britain High School students play theater games in the lecture room.

Mark Wade demonstrates how a Shakespearean play should be interpreted on stage.

Tracy,

You're growing up in a world that sometimes moves too fast, and that isn't always easy. But you seem to be doing just fine. Perhaps it's because you understand the need for caring about others, for being thoughtful and kind, for bringing happiness to yourself as well as to those around you. The world is in need of more people like you. YOU'RE SOMEONE VERY SPECIAL!!!

To your future,
Love,
Dad, Mom and Dena ('94)

AUTOGRAPHS

Goodbye, B.H.S.!

Now the time has come for us to bid farewell to Berlin High School. We will leave with many memories, not only of the good times we have shared with each other, but also of the special friends and *familiar faces* we will leave behind, teachers and underclassmen included. Our futures will reflect what we have picked up in these past four years, whether it be at a university, in the working world, or in whatever direction we choose to take.

This past year has been one of anxiety, as we have been eagerly awating the opportunity to go on to "greater things." During this time of anticipation, we have also experienced some of the most cherished moments in our lives. These moments include involvement in school activities and sports, trips we have taken, jokes, or just the great laughs and good times we have had "hanging out" with each other.

Although some may miss what is left behind, we all must move on and begin to make our mark on the outside world. Just as we went from junior high school to high school years ago, we must move on again, this time into a place where the things we have learned along the way will be of utmost importance.

So as we enter into our new, more independent lives, reach out for our dreams, and encounter many new *familiar faces* along the way, we leave behind our best wishes and take with us enough memories to last a lifetime.
